

HAND SIZING CHART

Align your knuckle at the base of your first finger to the centre of the cross in the circle.

Your size will show at the widest point of your hand.

**FOR ACCURATE RESULTS,
PLEASE PRINT A4 PORTRAIT,
SCALING SET TO
'ACTUAL SIZE'**

PLEASE NOTE This chart is strictly a guide only. Different materials and characteristics in different styles can alter the size needed, and different styles of glove can be expected to have varying sizing. For example, if ordering a fully dipped/coated glove it is advised to order the next size up as the glove is stiffer.

The hand in this example is a size 09
